

COMMUNIQUÉ

Opening of Additional Single Point Offices for Death Registration, Burial and Cremation Services

The public is informed that four additional Single Point Offices will be operational as from **11 June 2026** for the registration of deaths and the issuance of death certificates, burial permits and cremation permits under one roof.

The Single Point Offices bring together officers of the Civil Status Division, the Public Health Office and the Local Authority, thereby enabling members of the public to complete the required formalities at a single location.

The following services are provided:

- Civil Status Division: registration of deaths, issuance of death certificates, and issuance of burial and cremation permits;
- Public Health Office: issuance of cremation permits;
- Local Authority: authorisation of cremation procedures.

The four additional single point offices will be operational as from 11 June 2026, as detailed below:
